Learn to play music in a Marimba Band.

Marimbas are like large xylophones that can play rhythmic tunes and used in many parts of the world. We will focus on African and American styles. We’ll use small and large instruments to create a band and learn easy tunes that are fun to play and sound great. At the end of our week we’ll play a concert to show family and friends what we’ve learned.

Instructor is Randall Moore who has taught marimba bands in Eugene for the past 12 years for 4th – 8th grade students. The second instructor is Stephen Thompson who has taught music for 12 years in international schools, including China, Israel, and Viet Nam. Each camp is limited to about 12 students and COVID protocol will be followed carefully.
Summer Marimba Camp (1.) will be held SW of Eugene in the big, clean Horse Barn of Mike and Jennifer Jonak who live at 85484 Chezem Road off Lorane Highway. Campers are to bring lunch, drink, and snacks to nourish them during the day. There are fields surrounding the Barn to play in during breaks.

Summer Marimba Camp (2.) will meet at the First United Methodist Church at 1376: com, Olive St. in downtown Eugene. Campers are to bring lunch, drink, and snacks to nourish them during the day. The church area has an atrium with sunny and shaded places for exercise during break times.

To Register: write to Randall at rsm4mail@gmail.com which is checked daily.
